Green room activities and news

The Caterpillars have been enjoying the Christmas season, sorting baubles by colour, making decorations and using them to decorate the nursery and trees. We also made the Christmas post box in the hallway, which we are very proud of. We have been baking Christmas cakes and making Santa fruit kebabs, which we had for pudding after our Christmas lunch. We have been reading *Aliens Love Christmas Pudding*, *Panta Claus* and *Norman Saves Christmas*. We have been talking about good and sad choices, linking them to the lists we have sent to Father Christmas. We have also had winter themed builders' trays, with shaving foam, flour and arctic animals.

Busy Bees activities and news

Another busy month for the pre-schoolers, we started off the month with a visit from the Toothbeary dentists, who came in to see us and talk about looking after our teeth. We have also been recognising numbers from the advent calendar, wrapping presents, decorating the Christmas trees and singing Christmas songs. We have worn our Christmas jumpers on Christmas Jumper day and enjoyed our Christmas lunch.

In January we are going to be starting Zumba, so please bring in sports clothes on a Thursday.

Yellow room activities and news

We have been enjoying all of our festivities this month, as Christmas gets nearer. We have been playing with cinnamon playdough...mmmmm! We have watched what Jingle Twinkles (our Elf) has been up to every day and discussing whether it was a good or sad choice. We have been making Christmas crafts, but we can't tell you exactly what, as it'll spoil the surprise 😊.

Our favourite story this month has been *Wonky Donkey* and we have really loved dancing to the music, as well as all the Christmas music we have been listening to. We have been using different coloured scarves when we dance.

We wore Christmas jumpers on Christmas jumper day and had fun designing our own jumpers.
